A Reminder ~ November tuition and second quarterly payments

November monthly tuition and the second quarterly payments are due now . Payments received after November 10 will incur a \$15 late fee. Unpaid late fees will be added to your tuition balance.

Please note: tuition is due regardless of classes attended.

If your child is dropping out of a class, parents are required to notify the studio of the change before the next payment is up. If no notification is received, payment is expected for that class, regardless of attendance.

Our Annual Spring Performance

This year's performance will be "Alice in Wonderland". Students will soon be measured, and costumes information will be passed out in December. Because of the complexities involved in staging a full story, and the interactions between characters, some additional rehearsals will be scheduled for some classes, or groups of classes. A tech rehearsal at the studio will take place on Saturday June 2 as scheduled, time to be announced. Tech Rehearsal, Dress rehearsal and performance at the Paramount Theatre are scheduled for June 8,9 and 10 (two performances). Please make a note of all the dates. The full school calendar can be downloaded at www.vermontcenterfordanceducation.com.

Attendance of tech rehearsal is mandatory for all students, so please do not ask for your child to be excused.
